INCREASE YOUR EFFICIENCY

Manage medication delivery and receive real-time status updates from within Newleaf. Choose from multiple service levels and discounted shipping options. Improve your ROI by reducing your return-to-stock and improving inventory turnover.

IMPROVE PATIENT HEALTH

Patients need reliable access to their prescriptions more than ever. Delivery improves patients' adherence to therapy, which contributes to positive health outcomes. With Scriptdrop's nationwide courier network and established connections to FedEx, UPS, and USPS, you have all the options you need to get meds to patients when they need them most.

UPGRADE PATIENT EXPERIENCE

For some patients, a trip to the pharmacy can be difficult. Allow patients the ability to receive prescriptions in the safety and comfort of their own homes. Same-Day (within 4 hours) and On-Demand (within 2 hours) delivery options are available.

Contact sales@keycentrix.com or call (800) 444-8486 to learn more and schedule your custom demo.
